# Painting Florals in Watercolor with Adele Moros

## Beginning Wednesday, May 6, 2020

(May 6, 13, 20, 27 from 9:30 to noon)

Using seasonally available flowers, Adele Moros will instruct a watercolor class on Wednesday mornings from 9:30 to noon, beginning May 6 and continuing each Wednesday through May 27. This small group class will allow for each student to receive individual instruction. Class size limited to 8.

Students will provide their own art materials. A suggested list of materials will be provided, but should not discourage beginners or others wishing to learn about watercolor painting. On Sunday, April 19 at 1:00 pm,

Adele will give a demo at Gallery 25 and introduce the materials she prefers to use. This is a great opportunity for potential students and others to meet Adele and ask questions.

## The cost for this workshops is \$150.00. A materials list provided.

Class size is limited, so please register as soon as possible.
