

“Sketching on the Go” with Diane Dubreuil

March 21, 22 & 23, 2022 (Monday, Tuesday, Wednesday)
from 1:00 pm to 4:00 pm

Sketchbook journals are a great way to capture unique meaningful images in a short period of time and add a new dimension to your travel experiences. Through demonstration and on site instruction, this workshop with watercolor artist Diane Dubreuil will focus on developing your own watercolor journal for traveling or simply for fun. Diane will demonstrate various drawing techniques and lead students step-by-step through the stages of adding simple values, transparent watercolor washes, and more. She will share examples of journals from her own travels and several styles used by other artists.

Participants are required to provide their own art supplies. A materials list will be emailed after registration. This class will include walking and outdoor painting (weather permitting). Please dress for the weather by wearing layers, outdoor footwear, and a hat with a brim.

Three (3) session workshop \$75.00.
